

VETERANS AFFAIRS & REHABILITATION (VA&R)
Marv Jonas, Chairman

It has been another busy year for our veterans so far this year. I participated in the Veterans Turkey hunt in April and also did a couple fishing trips on Clearwater Lake for the Adult Day Healthcare patients.

We also did a fish fry at my home post for the veterans fish that they caught on their Clearwater Lake fishing trips.

October 4, 5, and 6th I helped with the disabled Veterans Deer Hunt at Camp Ripley. 10 deer were harvested and 60 hunters participated in the hunt.

I also went to Legionville for the Disabled Hunt this year. Only 1 deer was taken and we had 4 hunters.

I will be holding a Christmas party for the Veterans in December with bingo, cookies and eggnog. Anyone who would like to help or donate to these programs feel free to contact me.
